### PRESIDENT'S CORNER

September has come and gone. During the month we did 6 play dates and 2 holiday music workshops. At the St Patrick's Church Festival, we were treated to a performance by the Golden Griffins before we played, and the Blackthorn Irish group after. We were very well received and invited back for next year. The Northville Victorian Festival was a fun dress-up event. Our ladies looked beautiful and the men were handsome. It would be fun to do that more often for playdates. Please join us.

Autumn is here, bringing some special events. We will conduct Christmas music practices on the 3<sup>rd</sup> Thursdays at 6:pm and the 4<sup>th</sup> Thursdays at 7:pm in October and November.

The fall banquet will be held October 4<sup>th</sup> at Fox Hills Country Club in Plymouth. It is very easy to find. From West bound M-14, exit at Gotfredson Rd., turn right (north), go ½ mile to North Territorial Rd., turn left (west) for about a mile, and Fox Hills is on the left (south) side of the road. Our banquet room is in the Golden Fox, which is the second club house on the right.

Then on October 18 (3<sup>rd</sup> Thursday), we will have a holiday tune workshop 6-7:pm (before the jam), and conduct the "Annual Meeting" during the break. The by-laws state that only items on the agenda published in the preceding newsletter (this one) will be covered.

Our election of officers for the year 2008 will be held at the November 2<sup>nd</sup> meeting. If you are interested in running for office, contact any board or nominating committee member. **Remember... to be eligible to vote, your 2008 membership dues must be paid before the election. If you need an absentee ballot, contact any board or nominating committee member.**

### PLAYDATE CHATTER \_\_\_\_\_ V.P. BUSINESS

September held some really fun playdates for Silver Strings. When we played for St. Patrick's Church Labor Day Festival, it was a lot of fun to see the children and adults dancing and enjoying themselves while listening to our music.

The Northville Victorian Festival was especially fun because we were in costume. We had 2 beautiful sunny days, and next year they will have a canopy to shade us. We got to see some familiar faces in the audience, which is always a treat. After we played, many of us wandered down the street to listen to Pix N Stix and dance to their lively music. Great fun was had by all !

### V.P. PROGRAMS \_\_\_\_\_

We've been having a great turn-out for our jam sessions and many goodies accompanied them.

**Thank you, thank you, thank you !** We're so lucky to have so many generous folks bringing in such tasty treats. Also, a **BIG THANK YOU** to those of you who have helped clean up in the kitchen.

It's so great to see so many new faces on Thursday nights. See you at Strings! Linda Losse

### SSDS 25th Anniversary

In July of 2008, Silver Strings Dulcimer Society will celebrate 25 years of fun music. If you would like to help the committee, please contact Sandi Hlavacek, 734-663-7974, or [datadoc@sbcglobal.net](mailto:datadoc@sbcglobal.net).

If you are an "old-timer", we need your help in finding past members (especially past officers) and points of history. If you are newer to Silver Strings, here's a perfect way for you to get involved and learn more about the club. Do you know how to "scrapbook" on a computer? You can be a **BIG** help with a 25 year history booklet.

We have some very good people who have come forward to help, but can always use more. Each person will have their own piece of the pie to work on. We won't have a lot of meetings... only occasionally to compare notes and help each other with snags.

**25 years is a great milestone !**

## GETTING TO KNOW YOU

Linda Losse... V.P. Programs

I was born and raised in Detroit, and moved to Plymouth when Val and I were married. We moved to Ann Arbor so Val could be closer to U of M while I went to Washtenaw Community College, then Concordia, and graduated from EMU in education. I was a Montessori teacher for some time before staying home with our two kids. We live close to U of M campus where Val rode a bicycle to work. I rode everywhere with the kids in a bike trailer. We went frog and turtle hunting regularly, and enjoyed muddy ponds as well as museums. There used to be entertainment on the "diag" (a central park area) on U of M campus, and the kids loved seeing tight rope walkers, musicians and jugglers. We've had a lot of fun with all the activities going on in Ann Arbor that we just happened upon while on our bikes. We've loved hiking, camping and exploring out west and out east. To this day, our kids love back-packing and nature. Our daughter lives in California and our son, his wife, and new grandchild live in Ann Arbor.

As our kids grew up, I went back to work. I found working with autistic children very rewarding. I enjoy exercise walks with girlfriends, usually walking four to five miles every morning. We've had the same route for about 20 years, which is a great way to meet people who are somewhat in your neighborhood. We also are like volunteer guides since we're often stopped and asked how to get to U of M hospital. (Karen will laugh at that one, since she knows I am directionally challenged, but we get the people where they want to go.)

We enjoy living in the heart of a busy and bustling town with all the activities we can take advantage of. I also enjoy sewing, decorating "Victorian hats", and playing with my grandson. Recently, Val and I joined the Wheelmen (an antique bicycle club) and really get a kick out of being in parades. We can't wait for our grandson to come to a parade.

While we played at the Old St. Patrick's Labor Day Festival, adults and children danced to the tunes. A good time was had by all, and we were invited back for next year.

"Dressing up" in old time costumes was such fun for the Victorian Festival in Northville, some suggested we do it for other playdates. Linda Losse has become a master at decorating "vintage" hats. The weather was perfect, and we enjoyed some real followers in the audience.

Entertaining the retired nuns at a convent in Monroe brought lots of smiles and participation.

We had a good turn-out for Border's book store. We played well together while enjoying our unique surroundings.
