### PRESIDENTS RAMBLINGS \_\_\_\_\_ Bob Niemczewski Hi Folks,

Well, we just finished up a weekend at Lake Erie Ice Daze and had a good time. It was a long weekend, but fun.

At our Board meeting in January, we decided to put together a committee of five members to review and make any necessary changes to our by-laws. Our by-laws are getting a little out of date and need to be dusted off a bit, so I would like to thank Karen T., John Mc., Roger D., Sally N., and Dave S. for stepping forward to take on this necessary task.

It looks like Linda didn't give us much time off after the Christmas season, with January play dates and more coming up in February. Just kidding Linda, you're doing a wonderful job. It does tell me that our club is off to another busy year. We will soon start getting ready for the ODPC Board meeting to be held at our home base here at Good Hope in April. We will be doing a SSDS stage show during the ODPC festival in July. As the information comes in, I will keep you informed about these events.

Thank you, George, for having a workshop and teaching the tune *Washington Square* before our 2nd meeting in January. After the workshop, during the club meeting, the whole membership played the song. It sounded wonderful, so we gave George some praise for being such a good teacher.

Well, I hope this article finds all of you in good health. Try and stay away from that nasty flu bug going around.

Peace Through Music . . . . . Bob

### NOTEJifications \_\_\_\_\_ V.P. Business

As I sit here with the temperature at 10 degrees, drinking hot tea, I'm wishin' for the warmer days to play music outdoors! Ah yes, I'm a dreamer you say!!!

Enough of that...We are moving along well with all of our performances, and have been greatly appreciated wherever we play. Nothing is more rewarding than that. We have already been booked for 2014 at the Erie Metropark. They say Erie Daze "IS" Silver Strings! How's that for appreciation?! It is a long two-day gig but all in all, the participants always seem to have a wonderful time with each other and the audience.

Looking ahead, we have a couple of new gigs in Feb. and March so look for them on the sign-up sheets.

Happy Jammin' . . . . . Linda Osgood

### NOTABLE NOTES \_\_\_\_\_ Secretary

There is a January/February playlist due to the short list of play dates in February. Look for it in this newsletter if you do not have a copy.

Washington Square has been completed and Karen has sent it out to our Drop Boxes. This is a catchy tune and easy to learn. I hope that everyone has fun with it. George Gonyo taught this at a workshop.

### VP PROGRAMS \_\_\_\_\_ George Gonyo

If you all had a good time at the first variety night in 2013, this is to let you know, that we will be having three more this year. We will have one in May, another in August, and we will wrap up with one in October. So, everyone has a chance to attend, and/or perform at least once by the time October rolls around. We're always looking for MC's for this event, just in case you were wondering!

Another reminder for everyone is the Myer's Lake Campout, scheduled for the 7<sup>th</sup>, 8<sup>th</sup> & 9<sup>th</sup> of June. This is the weekend before Father's Day, and for some of you a chance to campout for the first time in 2013. Please put these dates on your calendar. We are also looking for workshop leaders for various instruments and jams, along with people who just plain want to help out with food preparation, setup, cleanup, and etc. Your participation is always greatly appreciated.

## JOIN THE PERFORMANCE GROUPS

January 16 & 17, Silver Strings was again invited to play for the Erie Ice Daze at Lake Erie Metropark (for about the 14th consecutive year). This is one of the favorite playdates of the year for many of the 'old-timers'. It requires only 'comfortable dress', and is very informal, much like a regular jam. If you have never joined a playdate before, this was the IDEAL one to test yourself. There is safety in numbers, so you can hide in a corner and make mistakes without getting caught.

The surroundings are interesting to explore during breaks, and it's a great place to bring your kids or grandkids. There were LOTS of fun activities for the family (sled dogs, nature hikes & workshops, crafts, American Indian lore, and more). We also have many people who come back year after year just to hear us play. They are known to clap, dance, and sing along, and there are plenty of laughs. If you missed it for this year, remember it for next year. You'll be glad you did.

## A Brief History of Valentine's Day

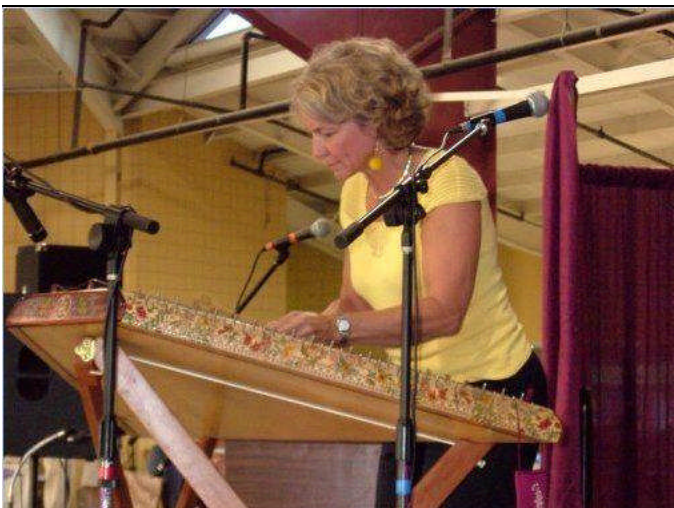

The history of Valentine's Day is a varied one, beginning in Ancient Rome. Lupercalia, the festival of the god of fertility, was celebrated in Ancient Rome on February 15. Priests of Lupercus would run through Rome with goat skins, touching everyone they met with them. This touch was desired by young women because it was believed that it would make them more fertile.

Thoughts on the history of Valentine's Day become mixed when speaking of St. Valentine. One story claims that Valentine was a priest in third century Rome. Emperor Claudius II wanted to build an army, and, deciding that unmarried men made better soldiers, outlawed marriage. The St. Valentine of this story performed secret marriages, and was put to death because of it.

Another St. Valentine legend says that, while in prison, he fell in love with the jailer's daughter, and before his execution, he wrote a letter to her signed, "From your Valentine." Other stories say that Valentine was killed for trying to help Christians to escape Roman prisons.

The history of Valentine's Day is also unclear about why it is celebrated in mid-February. Some believe that it is a celebration of the death or burial of St. Valentine, while others believe it was a Christian attempt of converting Pagans who celebrated Lupercalia. Whatever the true history, sometime around 498 AD, Pope Gelasius St. Valentine's day as February 14.

The history of Valentine's Day as we know it today began around the seventeenth century, with celebrating the day becoming more popular. Esther A. Howland started to sell the first mass-produced Valentines in the 1840's in America, and by this time, it had become common for friends and lovers to exchange gifts and notes. The first heart-shaped candy box for Valentine's Day was created in 1861 by Richard Cadbury.
