## PRESIDENT'S CORNER

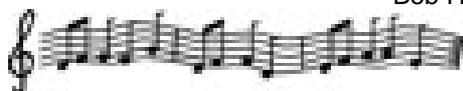

Half of the year has almost gone by, but the fun of campouts and summer music festivals is right around the corner. Our Silver Strings camping weekend is about 2 weeks away. Join us June 13,14,15 at Myers Lake, west of Linden. We'll be jamming Friday and Saturday night, with workshops all day Saturday. We will start off Saturday with pancakes and sausage, so let us know if you are coming for the day, and you can join us for breakfast.

Sunday Morning we usually play for the church service by the lake. If you plan to attend the SSDS campout and help play for it, you may get a pack of Christian music from Sandi at the June 5<sup>th</sup> jam. Not all of the songs in it will be played, but the songs we play will be chosen from this pack.

When the song Wildwood Flower was resurrected last month we found that a lot of people did not have the correct copy of the sheet music. The incorrect copy has only 2 staff lines on it. The correct copy has 4 lines. We will have replacement music at all the meetings in June

At the last two meetings, I have given a pep talk about giving back to the club by volunteering for a position on the board of directors next year. Elections take place in November, so please give it some very serious thought. If you feel a little inexperienced, don't fret... there are plenty of past officers around who are willing to give you advice and direction. All it takes is a desire to have the club be a fun place to meet and play beautiful music.

We look forward to camping with you this summer.  
Bob Hlavacek

## CAMPOUTS AND FESTIVALS ARE HERE! WANT TO CAMP, BUT HAVE NO EQUIPMENT ????????????????

Here's a deal for you... **FREE** use of a tent (sized to sleep 4, and you can stand up in it). Included in the "price" is a queen sized air-bed and linens. We can even throw in a porta-potty for night-time ! We will help with set up (very easy). It's available for the SSDS campout, the Uncle Carl's campout, Evert, and/or Midland festivals.

It's a dry place to "stash your stuff"... it's quite comfortable for sleeping... and **the price is right... FREE !** There actually are people with campers who leave them home so they can enjoy "Tent City" at Evert, surrounded by a terrific bunch of people. The restroom and shower facilities at all four of the camps listed are very good to excellent.

Come on out for a musical adventure. Contact Bob or Sandi Hlavacek (734) 663-7974 to reserve your housing.

## IT'S JUNE ... LET'S CELEBRATE !!!

### HAPPY BIRTHDAY

- 3..... Sylvia Casterton
- 11... Dale Rasor
- 27.... Walt Jablonski
- 29... Linda Losse
- 30... Steve Hadley
- 30... Roger Davis

### Happy Anniversary

- 20... Sherry & Morgan Humecky (38<sup>th</sup>)

Instead of writing about our past playdates this month, I would like to write about some of our upcoming ones. Mark your calendar for the ones that call out to you or mark all and go "on the road" with a few of us regulars who attend them all. Remember, you don't have to be able to play all of the songs on the playlist (which can be found elsewhere in this newsletter). You are allowed to air-hammer, air-strum, air-pick, air-whatever with tunes you don't know yet. Playdates are fun and a good way to get to know other members. We often go out to lunch or dinner afterward for social time together. With gas prices so high, we are trying to car pool more. Don't be shy! Come join the fun!

June 25<sup>th</sup> is a new playdate at the All Seasons of Rochester Hills retirement community. We will be their afternoon entertainment from 1:00-2:30 pm. Since we will be playing longer than our usual hour, the playlist is extended and we will be handing out our rhythm instruments for the audience to use. Retirement communities are fun and residents are usually more interested in our varied instruments and talking afterward.

Silver Strings member, Alice Avery, has arranged our August playdates in her hometown of Marine City. August 9<sup>th</sup> (1:30-3:30 pm) will be an informal performance at their city wide Garage Sale event and August 30<sup>th</sup> (7:00-9:00 pm) will be a stage performance for their monthly Concert Series. For both of these events, Marine City has requested that we wear our impressive Victorian costumes. (Want to attend, but don't have a Victorian costume? See me and I'll get you started in the right direction! Some of our players have extra clothing.)

September 11<sup>th</sup> is another new playdate in Belleville. We will be performing late afternoon or early evening (time to be determined) for the Escapees RV Club. We will be their monthly entertainment, and this should be an interesting, fun event.

September 13<sup>th</sup> & 14<sup>th</sup>, 12:00-1:30 pm, is the Northville Victorian Festival. We played at this event last year, and it was the first time we dressed as a club in Victorian costumes. It was impressive to see what members wore and the time and loving care that was put into designing and making the costumes. The whole city is laced with a Victorian theme, and many residents are in costume. There are fun booths, craft booths, food booths and assorted entertainment throughout the whole weekend. If you decide not to play in this event, you might want to come to watch your fellow members play at the new band shell, and take advantage of the many other festival activities.

For a list of our coming playdates, please see "Mark Your Calendar" in this newsletter. If you are unable to attend a club meeting and would like to sign up for a playdate, please

<b>National Trail Dulcimer Festival</b>	
<p>This little festival was a nice Spring camp trip for us. It was held in Springfield, Ohio just outside of Dayton at a very nice campground. It was sponsored by the Springfield Dulcimer Club, and you may know, once you get beyond the Michigan border, you are in mountain dulcimer country. There were about 8 HDs for the Saturday night jam along with many MDs, autoharps, fiddles and guitar. Saturday's hammered dulcimer workshop was led by Christie Burns. Keep a look out for this little gal because she can play with the best of them. Hopefully she will do some workshops in Michigan in the future. Her husband, Butch Ross, plays a mean mountain dulcimer like you have never seen before. Their style of music is different from what we are used to, but a joy to listen to. Christie headed a festival in Ireland for 5 years before returning to the U.S. She now resides in Chattanooga, Tennessee and is involved in the new festival there with Dan Landrum. Check out her website at <a href="http://www.christieburns.com">http://www.christieburns.com</a></p>

### HARMONICA HAPPENINGS

There will be Harmonica Jam at the Silver Strings Campout on Saturday, June 14<sup>th</sup> at 3:pm. If you have a harmonica that has been gathering dust on the shelf, shine it up and come play a few tunes with other harps! **All levels** of players are welcome or come if you just want to listen!

Karen Turner

### TIP FOR THE DAY :

You can "bend" a note on the HD ... strike a note on the right side of the treble bridge, and use your left hand to push down that same string set on the other side of the bridge, causing the pitch to rise a little, then release your pressure with the left hand (use your thumb, or two fingers) the pitch will return to the original place. Its easier on dulcimers on which the strings are not so tight. Dan Landrum plays a Dusty Strings, and the tension is a little less than on some others. . . . . Peggy Carter
